

## Solidfloor™ Parquet Polish (1L)

Maintenance and protection for all lacquered wooden floors.

---

**Applications:** For the maintenance and protection of all lacquered wooden floor surfaces.

**Attention:** Lacquer must be at least 3 weeks old before applying Solidfloor Parquet Polish. Do not use on waxed or oiled floors.

**Instructions for use:** Apply undiluted product evenly over a clean floor using a cloth (free of lint/dust), approximately 3 to 4 times a year.

**Drying time:** About 60 minutes.

To clean your floor: Use Solidfloor Wood Cleaner.

To clean your floor but also remove build-up of polish-layers:

Use a polish remover; contact your dealer for recommendations.

**Important:** Floors are not to be left wet for a prolonged period of time. Please follow the instructions of the manufacturer.

**STORE AWAY FROM COLD SO PRODUCT DOES NOT FREEZE**
